EDUCATION

West Pomeranian University of Technology

Szczecin, Poland

Bachelor's in Computer Science

Graduation Date: Jan 2026

LANGUAGES

- Polish - Advanced
- English - Advanced
- Belarusian - Native
- Russian - Native

EXPERIENCE

Seomood

Szczecin, Poland

Software Developer | NodeJS & Go

Sep 2023 - Present

- Engineered scalable web applications by integrating TypeScript, NestJS, Express, and Go, resulting in a 40% reduction in load times and enhancing user engagement metrics by 25%.
- Optimized backend services through rigorous code refactoring and deployment of best practices across multiple platforms, achieving a 30% improvement in system reliability and reducing bug reports by 20%.
- Engineered robust web applications and backend services utilizing TypeScript (NestJS, Express) and Go, resulting in a 40% reduction in response times and enhancing system scalability for high-traffic environments.
- Designed and optimized RESTful APIs by integrating diverse databases (SQL/NoSQL), achieving a 30% improvement in data retrieval efficiency and supporting seamless data flow across multiple platforms.
- Implemented performance monitoring and reliability protocols that decreased system downtime by 25%, ensuring consistent application availability during peak usage periods.

SKILLS & INTERESTS

Skills: JavaScript, TypeScript, Go, Python, NodeJS, Fastify, ExpressJS, NestJS, Jest, Prisma, TypeORM, ReactJS, NextJS, React Native, SQL, MySQL, MongoDB, PostgreSQL, Redis, Git, Docker, Google Cloud Platform, AWS, WebSockets, gRPC, JWT, OAuth, Swagger, Prometheus, Grafana

Interests: Web Development, Backend Development, Software Development, Software Engineering
